INTRODUCTION

ABWE

CANADA has a vision to fulfill the Great Commission by multiplying leaders, churches and mission movements, among every people. Our mission statement is, *“Glorifying God by assisting churches to achieve their local and international mission objectives.”* This handbook is designed to provide a broad framework within which all of our missionary personnel are free to carry out their ministry and use their gifts and abilities for the glory of God.

In 1936, the ABWE board determined that a set of policies governing the administration of the mission and its personnel was needed. The current handbook supersedes all prior editions and copies of the Principles & Practices. All statements of policy in this document are intended by the president and board to be consistent with the Word of God, the Articles of Incorporation and Bylaws of ABWE Global Inc., (operating as ABWE Canada/Across Borders for World Evangelism), as well as federal, provincial, local, and international laws. This document prepared by the ABWE Canada administration has been approved by the ABWE Canada board. Every board member, administrative leader, and missionary must abide by this handbook.

CHAPTER 1: Identity

1. History: When and how were we founded?

The Association of Baptists for World Evangelism (ABWE) was founded in Watch Hill, Rhode Island, in 1927 as a ministry dedicated to fulfilling the command of Christ by sending out missionaries to take the good news of salvation to the ends of the earth.

Dr. Raphael Thomas, a graduate of Harvard Medical College, heard D. L. Moody challenge students to obey the command of Christ to take the gospel to every ethnic group. He committed his life to that cause and enrolled in Newton Seminary to prepare himself, not only to treat medical conditions, but also to preach and teach the Bible to address spiritual ailments in the souls of people. He became ABWE's first missionary.

Originally Dr. Thomas had joined a large, denominational Baptist mission in Chicago and served as a medical missionary in Iloilo City, Philippines. Later, that organization began to change its focus and sought to restrict Dr. Thomas's activities to merely running the hospital. When his appeals went unheeded, he resigned to seek a new mission under which he might fulfill his passion for evangelism. Thus, ABWE was born as an independent faith mission to send out Dr. Thomas and those who followed him to serve in the Philippines.

Through the years, ABWE has grown to over 1000 missionaries influencing and serving in more than 75 nations around the world. This large missionary family is supported by a network of over 4,000 partner churches throughout the United States and Canada. Our International Administration and Training Center is located near Harrisburg, PA.

ABWE was first introduced to Canada in the late 1940s. Missionary Don Moffat visited the London Bible Institute and was used of the Lord to touch lives for missions. A number of Canadian missionaries were recruited and appointed to South America.

In 1961 Leander Roblin assumed the position of Canadian representative. Leander Roblin worked hard and covered Ontario and the Maritime provinces. ABWE became known in Canada as a sound, active and effective mission board. Under his leadership, ABWE Canada was officially registered in 1967 to meet Canadian government requirements in order to issue tax deductible receipts to Canadian donors. A board composed of a majority of Canadian citizens was formed.

Mel Cuthbert was called to be the Canadian representative following the retirement of Leander Roblin. Mel established an office in Burlington, Ontario. After four years of representation, he returned to his former field of Brazil, when Reginald Snell took over the representation of ABWE Canada in 1979. Ivor Greenslade began leading in 1990 and led until Frank Bale was named Canadian Director in 1992.

In 2004, the Board of Directors appointed David Smith as their new executive director, and when ABWE Canada became financially and functionally independent in 2007, David Smith became the president of the new corporation known as ABWE Global Inc./ABWE Canada/Across Borders for World Evangelism. Minne Bouma was appointed president in 2016. Today, more than fifty employees serve in twelve different countries.

2. Identity: Who are we today?

ABWE Canada is a spiritual and functional alliance of New Testament churches and their missionaries bound together by a common commitment to:

- A. The foundational truths of the Christian faith explicitly taught in the Bible.
- B. Historic baptistic distinctive.
- C. The proclamation of the gospel to those who have not heard.

ABWE Canada/ABWE Global Inc./Across Borders for World Evangelism is also the common name collectively used for a non-profit corporation organized for religious and charitable purposes that focuses on evangelism, discipleship, church planting, and leadership training, and also operates numerous ministries of compassion such as hospitals, schools, orphanages, and ministries to street children, youth, and homeless refugee's due to catastrophe, disease, war, and other global problems.

ABWE Canada is not owned or controlled by any outside religious denomination but operates under the sole authority and discretion of its board (see Chapter 3) who oversee the ministry on behalf of the churches and donors who support it, the missionaries who give their lives in the service of Christ, and the peoples of the world for whom this ministry exists.

3. Foundations: What do we believe?

Authority

The ABWE Canada statement of doctrine is based on the supreme authority and explicit teaching of the Bible which cannot be altered by men. There is no more sure or unchangeable foundation than the Word of God, our final standard for all faith and practice.

Doctrinal Statement

The word doctrine simply means “teaching” and as used historically refers to the body of teaching in the Bible regarding any given area of the Christian faith. Thus, the ABWE Canada doctrinal statement is an expression of what we believe the Bible teaches about the following important topics.

The following statement of doctrine was formulated by the ABWE Canada board and must be affirmed by every ABWE Canada administrator, missionary, and staff member. This statement serves as the standard of belief for churches and missionaries who wish to join ABWE Canada.

1. Concerning the Scriptures

We believe that the Scriptures of the Old and New Testaments as originally written were God-breathed, both verbally and in every part. We believe God communicated through Spirit-controlled men so that the Scriptures are without error, authoritative, and complete. We believe the Bible is the supreme revelation of God's will for mankind and constitutes the only infallible guide for faith and life.

2. Concerning the True God

We believe in the one eternal God, the Creator of all things; that in the unity of the Godhead there are three Persons: Father, Son, and Holy Spirit, identical in essence and equal in power and glory.

3. Concerning God the Father

We believe that God the Father is holy and loving. Unlimited in time, space, knowledge, and power, the Father has planned for His glory all that comes to pass and purposed from eternity to redeem a people for Himself. In His sovereignty, He is neither author nor approver of sin, nor does He negate the accountability of moral, intelligent creatures. Although distinct from His creation, He is imminently at work in it, intervening as He chooses.

4. Concerning the Lord Jesus Christ

We believe that the Lord Jesus Christ is the eternal Son of God. Conceived by the Holy Spirit and born of the virgin Mary, He became "God manifest in the flesh." As fully God and fully man He lived an absolutely sinless life. He voluntarily died to make a full and vicarious atonement for our sins. He arose from the dead on the third day and ascended bodily into heaven.

5. Concerning the Holy Spirit

We believe that the Holy Spirit is the promised Comforter sent by the Father and the Son, possessing full personality and deity. He convicts the world of sin, righteousness, and judgment. He is the agent of the new birth, at which time He baptizes believers into the body of Christ, and His work among believers is that He seals, indwells, fills, guides, and teaches. The sign gifts of prophecy, speaking in tongues, interpretation of tongues, miracles and healing, were powerful indicators in New Testament times whereby the authenticity of the gospel was established on earth, but these gifts are

not normative for today. Needless to say, apart from these gifts, God can do the miraculous according to His sovereign purposes. That is why we pray according to His will.

6. Concerning Mankind

We believe the Scriptures teach that men and women are created in God's image. Adam was created by a direct act of God as described in Genesis 1 and not from any previously existing form of life. By voluntary transgression he fell from his state of innocence, in consequence of which all mankind are now sinners by nature and by choice, and therefore under just condemnation to everlasting, conscious punishment, separated from God.

7. Concerning Salvation

We believe the Scriptures teach that the salvation of sinners is initiated by a loving God, wholly of grace, and accomplished only through the mediating work of the Son of God. It is upon the sole condition of faith in the Lord Jesus Christ. The sinner must be born again, being regenerated by the power of the Holy Spirit thereby receiving a new nature. The believer who has exercised personal faith in the Lord Jesus Christ is justified and in possession of a salvation which is eternally secure. A result of salvation is a life of obedience to God producing good works.

8. Concerning the Church

We believe the Scriptures teach that the Church of Jesus Christ, distinct from Israel in the Old Testament, was inaugurated at Pentecost and must be considered in two aspects: the local church and "the church which is His body." This "body" is the entire company of believers in Christ. A local church is an organized assembly of baptized believers, associated by a commitment to the faith, fellowship, and proclamation of the gospel, and observing the ordinances of believer's baptism by immersion and the Lord's Supper. The Scripture identifies two offices in local churches. The terms overseer, elder, and pastor or shepherd all refer to the same office. The other is the office of deacon. The New Testament specifically assigns headship and authority in the local church to men.

9. Concerning Baptism and the Lord's Supper

We believe the Scriptures teach that baptism is the immersion of a believer in water, in the name of the Father, Son, and Holy Spirit, representing the believer's death to sin and his resurrection to a new life. We believe that the Lord's Supper is a commemoration of Christ's death to be observed by believers until His return and should be preceded by honest self-examination.

10. Concerning Angels

We believe that God created sinless, spirit beings called angels to worship and serve Him. Satan and some of the angels became proud and rebelled and were judged by God. Satan now rules these fallen angels, also called demons. They seek continually to frustrate the purposes of God and to cause mankind to sin against Him. These were conquered by Christ on the cross and are condemned to a future everlasting punishment.

11. Concerning Future Events

We believe in the coming of Christ in the air to take His saints to be with Him. This imminent event will be followed by the tribulation which will conclude with our Lord's second coming to the earth to establish His glorious millennial kingdom. Satan, after leading his final rebellion, will be cast into the lake of fire, along with death, hell, and the unrighteous dead.

12. Concerning the Eternal State

We believe the Scriptures teach the bodily resurrection of the just and the unjust. The just, those who have been redeemed, will spend eternity in full enjoyment of God's presence. The unjust, those who through impenitence and unbelief refuse to accept God's offer of mercy, will spend eternity in everlasting, conscious punishment.

The ABWE Canada statement of doctrine may be changed only by a majority of the Board of Directors and then by a majority of the members of ABWE Global Inc.

4. Positions: How do our beliefs affect our life and work?

A. The Gospel

The gospel is the good news that Jesus Christ died for our sins and was raised so that through Him we have forgiveness of sins and eternal life. The gospel comes from God, is the power of God unto salvation, is a mystery, and is the source of hope, faith, life and peace to everyone who believes, without distinction. To proclaim the gospel everywhere is the privilege and obligation of all followers of Christ.

B. Fellowship of Believers

The very essence of Christianity is fellowship with God Himself through the redeeming sacrifice of Jesus Christ. Out of that comes the added blessing of fellowship within the community of believers. It is difficult and not the norm for a follower of Christ who is isolated from other believers to grow and develop into maturity without the ongoing help of other members of the body of Christ. Jesus declared that the identifying mark of authentic disciples would be the love displayed for one another. Such love is powerfully attractive to the world of unbelievers.

C. Biblical Separation

ABWE Canada believes that Biblical separation is the Bible's teaching that true believers must not fellowship with those who oppose the gospel and biblical truth, drawing others into disobedience, sinful lifestyles, and doctrinal error. Yet, such convictions must always be practiced with Christ-like attitudes.

CHAPTER 2: Vision & Values

1. What is our Vision?

Our vision is to fulfill the Great Commission by multiplying leaders, churches, and mission movements among every people.

A. Great Commission

We seek to communicate the gospel in a worldview and culturally relevant way. Ministries involving medicine, sports, ESL, literature production, and compassion endeavors toward the hurting and needy of the world are viewed as effective tools for evangelism.

B. Multiplying Leaders

Because godly leaders are critically important to every part of our vision, we prioritize their growth and multiplication at all stages of service within church and sending ministries. This development includes but is not limited to addressing each individual and taking into account their gifts and God given ability. This happens along a spectrum of initial follow up, discipleship, preparation for church ministries, mentorship, and theological education.

C. National Church-Planting Movements

ABWE teams prioritize evangelism, discipleship, and leadership training for the purpose of planting local churches that reproduce themselves. A movement occurs when the Holy Spirit chooses to bless church reproduction beyond man's ability to plan or control.

D. Mission Movements

A mission movement is an extension of a national church-planting movement across cultural or geographic boundaries. Our work is building the global dimensions of making disciples into the DNA of the churches we facilitate and influence.

2. What do we value?

Our Values

1. Integrity

ABWE Canada is committed to biblical integrity. It will govern every facet of our ministry. We will encourage one another to accurate and open communication, a holy lifestyle, responsible fiscal stewardship, and the avoidance of exaggeration, misrepresentation, deception, or breach of ethics.

2. Excellence

ABWE Canada is committed to rise above mediocrity and pursue excellence by individually and corporately improving our skills in order to enhance mission morale, maintain the respect of our constituency, and enlist quality personnel.

3. Compassion

ABWE Canada is committed to ministries of compassion in evangelism and church planting, using methods which are culturally appropriate and effective. These ministries may include medicine, education, and disaster relief, but the primary goal is the spiritual welfare of the people.

4. Accountability

ABWE Canada is committed to requiring accountability by consistently evaluating attitudes, relationships, and the effective performance of goals.

Relational Values

3. We value teamwork because the body of Christ was designed to be an interdependent body with complementary spiritual gifts.

5. We value partnership with the church of Jesus Christ among the nations.

3. Aspirational Values
