phone or email: **donorhelp@abwe.ca**

### ABWE Canada Statement of Accountability

Spending of funds is confined to board approved programs and projects. Each restricted contribution designated towards a board approved program or project will be used as designated, with the understanding that when the need for such a program or project has been met, or cannot be completed as determined by the board, the remaining restricted contributions designated for such program or project will be used where needed most.

EVANGELISM & DISCIPLESHIP

## Good Soil Evangelism & Discipleship

- » Equipping the Global Church to Share God's Story of Hope in a World of Competing Faiths and Cultures

## Our Foundation

Good Soil Evangelism & Discipleship is based on three distinctives found in Jesus' parable of the sower and soils, where we learn that "good soil" is the heart of a person who:

- Clearly and accurately understands the gospel (Matthew 13:23)
- Sincerely and genuinely embraces the gospel (Mark 4:20)
- Tenaciously holds on to the gospel and will not let it be snatched away (Luke 8:15)

## Our Mission

The mission of Good Soil Evangelism & Discipleship is to motivate, train and resource Canadian churches to more effectively evangelize unbelievers and disciple believers – even in a culture where knowledge of the Bible, the true Creator God, Jesus Christ, and God's gracious plan of redemption is becoming largely non-existent.

**35 Licensed  
International  
Good Soil  
Ministries**

**200 resources  
available**

**200,000  
resources sold  
in the USA**

**Resources in  
39 languages**

## Our Impact

The reproducible nature of Good Soil training has allowed for many of those we have trained to train others, who have trained others around the world. **For example:**

- Two Singaporean partners report that they have conducted Good Soil training with 2,600 house church leaders in China.
- One Filipino partner has impacted 40,000 adults and 20,000 children through his Good Soil ministry.

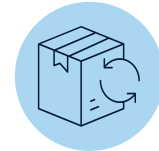

**We would like to see hundreds more trained in Canada, leading to new waves of Good Soil training.**

# 2023 Annual Project Goal: \$30,000

## Project Objectives

Design and print a Canadian version of *The Story of Hope*

Build up an inventory of Good Soil resources for Canadian churches

Promote Good Soil to churches and pastors, including free resources

Launch several Good Soil Evangelism & Discipleship seminars in Canada
